2017 ULF Benefit Drawing Prizes

\$500 Visa Gift Card

Use it anywhere, for anything!

Rolling iPad Stand

This mobile, rolling iPad stand places a tablet at the perfect position while lying in bed, reclining in a chair, or sitting on a sofa. The height-adjustable swing arm lets you place your device at the ideal eye level, distance, and angle while you lie, recline, or sit upright. The mount secures any iPad, tablet, or e-reader up to 8 ½" x 11" (even with a case) via four elastic bands, rotates easily for portrait or landscape viewing, and swivels 360°. The weighted base won't tip over, requires just a 4" clearance to slide under furniture, and rolls smoothly on four double-wheel hooded casters. The swing arm can be raised or lowered from 30" to 56" H with sturdy clip locks and folds out of the way when not in use or when you're ready to rise from your bed or chair. Assembly required. Dimensions: 48" H x 13" W x 13" D; 28 lbs.

*All entries must be received by October 31st, which is when the drawing will occur at the ULF office.
Prizes will be first-drawn, first-choice and shipped to the winners.*

2017 ULF Benefit Drawing Prizes

Purple Instant Mini Camera with Film

A point-and-shoot camera that instantly prints wallet-sized photographs. The camera uses high-speed, self-developing film to produce vivid, color 3 ½" x 2" photographs that print out of the top of the camera seconds after the picture is taken. The camera has a 1/60 second shutter speed, and its auto-retracting lens, automatic exposure control, and built-in flash ensure crisp, clear photographs in all lighting conditions. Includes film. Dimensions: 5" H x 4" W x 3" D; 1 lb.

Nap-Inducing Plush Giant Tortoise

This giant plush tortoise creates a tranquil sleeping environment for children, using glowing light and soothing sounds. Turned on and off with a button imbedded in the left foreleg, eleven LEDs integrated into the rim of the turtle's plush shell slowly change from blue, green, and yellow, calming children with a gentle array of color. A button built into the right foreleg adjusts the volume of a looped, subtle soundscape of nighttime wildlife that includes the intermittent hooting of an owl over a layer of chirping crickets and croaking frogs.

Dimensions: 32" L x 28" W x 13" H; 11 lbs.

Large Plush White Bear

An oversized white bear that is so cuddly and soft that you'll want to use it as a pillow. Give this loving bear to a significant other as an adorable way to say you're thinking of them or to your favorite youngster, who could use a plush friend.

Dimensions: 30" H x 16" W x 12" D; 4 lbs.

All entries must be received by October 31st, which is when the drawing will occur at the ULF office. Prizes will be first-drawn, first-choice and shipped to the winners.
